IBEW 569 arrived at these endorsements through a rigorous and democratic process whereby IBEW 569 Legislative Committee members participated at the local level through interviews with the San Diego County Building & Construction Trades Council and/or the San Diego & Imperial Counties Labor Council endorsement processes as well as at the state level through the California State Building Trades Council and/or the California Labor Federation. These processes included research on candidates and ballot measures, interviews of candidates and issues advocates, and votes by delegate and executive board bodies to determine whether a candidate or ballot measure should receive a labor endorsement.

Candidates must demonstrate that they support the values and work of IBEW 569, labor unions and our members. Our #1 priority in determining who receives the endorsement of IBEW 569 is whether the candidate or the initiative will result in more work for our members with higher wages, and a better quality of life.

Our Union endorsed these candidates and initiatives, and we need you to vote for them.

If there is a race or issue that is not listed, but is on your ballot, it means candidates or advocates for the initiative did not seek or receive an endorsement from the San Diego Building Trades Council and/or the San Diego & Imperial Counties Labor Council or that of our IBEW 569 Legislative Committee.

If you live outside of San Diego County and want to view the endorsements of sister IBEW locals, go to: <https://www.ibewvotes.com/>.

If you recently moved, changed your name, or want to change your political party, you need to re-register to vote. You should be registered to vote at least 15 days before an election. You can register to vote online at <http://registertovote.ca.gov/>. You can check your voter status at [voterstatus.sos.ca.gov](http://voterstatus.sos.ca.gov).
